

Theatre Honors Deadlines

2009-2010

Students: Remember that while Honors Theatre can give you the extra points you may desire for your GPA, you must be self-motivated and disciplined in your work as a Theatre Honors student. If you miss deadlines or do not complete all of the requirements for Honors, your grade may be lower than if you had taken this class for regular credit instead of Honors credit. It is our responsibility, not that of the director, to see that you meet all of the requirements in a timely manner.
