Precision Dance Awards Regulations

The following regulation governs the issuance of major awards to Precision dance team students:

A sweater, jacket or blanket shall be awarded to members of the Precision dance team who have completed 2 years of membership and have the recommendation of the Precision Dance team teacher. The price of Precision dance team awards may not exceed those established by the Texas UIL.

This agreement is presented to Precision dance team students upon completion of the 2 year membership requirements.

PRECISION DANCE TEAM AWARD AGREEMENT

I understand that activities of the team to which I belong encompass the entire school year and that my school Precision dance team teacher has counted upon my yearlong participation in the organization in her advanced planning for the performances, contests, activities, etc. of the group. I am aware that I have not yet fully earned the Precision dance award being presented to me. My early acceptance of this award obligates me to continue my membership and participation in the Precision dance team throughout this entire school year or until my graduation.
