STANDARDS OF CONDUCT

Precision Dance Teams are a source of great pride to the Pasadena Independent School District. Because of their high level of visibility, members of these organizations shall exhibit conduct and discipline above that expected of other students in the school district. Participation in the team shall be at the discretion of the team director. The following standards have been approved by the school district administration and have been formulated as an aid to students, parents, and teachers in comprehending the conduct expected of team members.

I. Loss of membership from the team may occur immediately after a disciplinary hearing with the director and principal for the following reasons:

A. Unexcused absence from a required performance or rehearsal.
B. Accumulation of fifteen demerits.
C. Being sent to the Guidance Center, Saturday Guidance Center, *ISC, *Extended Detention or suspension from school. *(First ISC and/or Extended Detention assignment for PISD dress code violation will not result in the removal from the team; however, ISC or Extended Detention assignment for disciplinary violations may result in removal from the team.)

II. Removal from the precision dance team shall occur following the first commission of any major offense as stated in the Pasadena ISD Student Code of Conduct, while at school or participating in any school related activity. Please refer to the Pasadena ISD Student Code of Conduct for a list of these offenses.

The student will be scheduled out of the dance team class in a timely manner.

III. Reinstatement to the precision dance team:

A student seeking reinstatement to the precision dance team must re-enroll in the dance training program with the director's approval and re-audition at the end of the semester. Re-enrollment in the dance training program will only be done with the director's approval.

III. There will be a mandatory evaluation conducted annually for team members who wish to continue their membership for the following year.
