## Digital Cameras in the Classroom

- \* Take the digital camera on walks around and through the school, as well as fieldtrips.
- \* When the pictures are inserted into Kid Pix, Word or PowerPoint, the students can respond to what's happening in the picture.

## What about Student Email Accounts?

- \* "Tech" Out ePALS at [www.epals.com](http://www.epals.com)
- \* Be thinking of how you and your students might use email.
- \* Be watching for ePALS announcements coming soon.
