

Request for Research Consideration

Any person or entity desiring to conduct research in Pasadena ISD must submit a formal email request to dsummers@pasadenaisd.org with subject line "Request for Research Consideration."

The following electronic documents should be included as email attachments:

- brief narrative of the study,
- sample instruments to be used,
- informed consent letter (if needed),
- procedures for conducting the study,
- district resources that would be required

The submitted information will be reviewed by a district committee and the requestor will be emailed the district's response concerning its ability to participate in the study.
