

Registration Links for Eduphoria Workshops (for Course Creators)

This information applies to anyone who...

1. Is a course creator in Eduphoria
2. Logs into the Portal to get to Eduphoria to create the course(s)
3. Has or plans to send a "Direct URL (Link)" to participants so they can register.

If any of these apply to you, PLEASE READ THIS IMPORTANT INFORMATION:

When a Course Creator logs into Eduphoria through the PISD Portal, an "sw" is added to the beginning of any course's Direct URL (link).

PROBLEM: If you send this link to a participant so he/she can register, this link will ONLY work if the user is logged into the portal.

ANSWER: To prevent potential problems, delete the "sw" from the beginning of the link that you send.

Direct URL

<https://sweduphoria.pasadenaisd.org/wshop/default.aspx?cid=34062>

Bottom Line
Remove the "sw" from the Direct URL link before sending it to anyone.

Example:

This link **WILL NOT WORK** outside of the portal –

<https://sweduphoria.pasadenaisd.org/wshop/default.aspx?cid=34062>

This link **WILL WORK** both inside and outside of the portal –

<https://eduphoria.pasadenaisd.org/wshop/default.aspx?cid=34062>

Remove the "sw"
