

INTRODUCTION TO ISTATION

Welcome! Thank you for putting your trust in Istation to Support Educators, Empower Kids, and Change Lives! Istation is a leading provider of computer-adaptive assessments and curriculum for students of ALL ability levels. Istation can be used as an intervention tool for struggling students (RTI), as a supplement for all students and as a resource for teachers to differentiate instruction.

We created this informational guide to help you successfully implement Istation in your school. We look forward to helping you prepare your students for the exciting world that awaits them!

<p>Here are some ideas to keep in mind before allowing students to login and take an assessment. Our GETTING STARTED CHECKLIST will help ensure your students are prepared to do their best!</p>	<ul style="list-style-type: none"> ✓ Inspect all equipment to be used (computers and headphones) to ensure it is operable. ✓ Check audio volume on all computers. ✓ Ensure students have sufficient proficiency using a computer. Students must be able to use a mouse for point-and-click operation. ✓ Make sure the physical conditions and lighting in the testing location is satisfactory. ✓ Create a seating arrangement that will allow for a space between each student. ✓ Make sure students understand the importance of focusing on the assessment and doing their best.
<p>We recommend prior to testing you become familiar with the assessment your students will complete and its format. To experience Istation like a student, open the program by clicking on the student icon and sign in with your account credentials.</p>	<div style="display: flex; justify-content: space-around; align-items: center;">  <div data-bbox="1027 785 1347 1045"> <p style="text-align: center; color: orange;">adams.rptdemo</p> <p>User Name: <input type="text"/></p> <p>Password: <input type="password"/></p> <p style="text-align: center;"> <input type="button" value="OK"/> <input type="button" value="EXIT"/> </p> </div> </div>
