

Pasadena ISD P-16 Strategic Action Plan

adapted from the TEA P-16 College Readiness and Success Strategic Action Plan

District Mission Statement

The mission of the Pasadena Independent School district, requiring the commitment of all employees, parents, business & community members, & students, is to guarantee all students will acquire the knowledge, master skills and maximize talents necessary to fulfill their potential as responsible citizens in the ever changing world of the 21st century.

Pasadena ISD P-16 Strategic Action Plan

PISD Strategy 1

Infuse elementary, middle, intermediate, and high school curricula with appropriate rigor to academically prepare all students, including those with special needs, for success in college/university courses and career pursuits.

PISD Strategy 2

Provide staff development that prepares education professionals from P through 12, to assist all students, including those with special needs, in meeting college readiness and skilled workforce expectations and standards.

PISD Strategy 3

Create a college-going culture in every Pasadena ISD elementary, middle, intermediate, and high school.

PISD Strategy 4

Provide greater access to student academic preparation programs including challenging advanced academic course and programs.
