

KUNTZ INSURANCE AGENCY

The Key to Your Insurance Needs

We are proud to be available to
PISD employees.

Rosalie L. Kuntz, L.U.T.C.F.

Rosalie has been a proud supporter of the Pasadena schools for over 50 years. And now she is offering Aflac insurance policies to the employees of PISD. Her office is available to help you choose the right insurance for your needs, and they will help you file your claims.

She has served this area for over 50 years as an insurance agent (25+ with Aflac) and has been recognized many times for her leadership and commitment to the community. She is the first female president of two local chambers and the Texas Life Underwriters Association. In 2004, PISD named her as its Distinguished Citizen of the Year. "I feel every policy I put into force is actually helping that family. They're not just my clients, they're my friends."

**Aflac insurance policies available to the PISD employees through
Kuntz Insurance Agency:**

- **Accident** – The policy is designed to pay benefits associated with an accidental injury.
- **Cancer** – Few people have not been impacted by some form of cancer; most don't think about the financial drain that treatment can have. Aflac provides a cash benefit directly to you, unless assigned, to help with these costs.
- **Specified Health Event** – What would you do if you had a heart attack or stroke? These are just two of the many health events you can prepare for with Aflac.
