

# Bodies of Water in North and South America

A Mini-Poster Project

## *Section Requirements:*

- ❑ 1. Location (absolute and relative)
- ❑ 2. Size and or Length
- ❑ 3. Environmental concerns
- ❑ 4. Surrounding Physical Geographic Features
- ❑ 5. Place in History
- ❑ 6. Fun Facts/ Interesting and Important Information

- ❑ \*A neatly colored illustration of your body of water (you have some latitude about how to display this)
- ❑ \*A striking Title Heading for your Mini Poster ( this is where your creativity and “wow” factor may shine)
- ❑ \*Subheadings for each section should have some theme or organizing feature. ( you could use color combinations, fonts, etc )
- ❑ \* “Wall Worthy”- remember that you are the only one assigned to your topic and others are gathering information from you!

## *Other Requirements*
