

SUBJECT: Herbicide, Pesticide, Fungicide, and Turf Chemicals/Irrigation System Supplies, CSP #07-044

BACKGROUND: In accordance with state bid laws, legal notices were published in the Houston Chronicle. In addition, the purchasing office mailed request for competitive sealed proposals to fourteen companies and eleven companies responded. Of the eleven responses, one company submitted a no bid response.

RECOMMENDATION: The following is our recommendation.

For the section in which specific items were listed, we are recommending that this proposal be awarded to the low bidders that met the specifications on a per item basis. Below are the companies being recommended and their estimated dollar amounts:

BWI - \$26,260.44
Control Solutions, Inc. - \$34,029.80
Ewing Irrigation Golf Industrial - \$9,099.27
LESCO, Inc. - \$53,968.77
Pest Control Supplies - \$477.08
Red River Specialties, Inc. - \$5,998.21
UAP - \$12,936.30
Univar - \$20,022.90
ZEP Manufacturing - \$1,497.42

For the section in which we requested a discount off catalog, we are recommending that it be awarded to all vendors whom submitted proposals that met the conditions. Below are the companies being recommended:

AMC Industries
BWI
Control Solutions, Inc.
Ewing Irrigation Golf Industrial
LESCO
Univar U.S.A.
ZEP Manufacturing

District personnel can purchase items as needed from any vendor who is awarded the

Discount off Catalog Section of this proposal, remembering that the purpose of competitive bidding is to secure the best material that meets their needs at the lowest practical price. This procedure allows the users the flexibility to purchase the products they desire, and shifts the responsibility to them for justifying what they purchase and from whom.
