

Hello,  
Thank you for your time today.

As you may be aware, the Pasadena Citizens Police Academy is hosting a benefit event on November 21 to raise money to assist the family of fallen Pasadena Police Officer Jesse Hamilton. We are in need of volunteers for that day. We will need approximately 150 volunteers. We already have a lot but are still in need more. We will have a kids zone requiring at least 15 volunteers an hour as well as people to sell b-b-q dinner tickets, raffle tickets, assist with the Silent and Live Auction and distribute food and drinks. If you would be willing to help us gather volunteers, that would be greatly appreciated.

Please feel free to contact me with any questions or for further information.
