Dear 7th grade student,

Welcome Tigers! The 7th grade teachers are excited about the new school year and what it holds for San Jacinto. We have heard such wonderful things about the upcoming group of 7th graders, and we cannot wait to jump into a brand new year! We hope you share our enthusiasm.

As teachers, we naturally have goals for our students. One of those goals is for all students to experience success at San Jacinto. We also want to provide a safe and positive environment for every single Tiger. To ensure that we meet both goals, we have developed a set of classroom rules.

Rules

1. Follow all directions immediately.
2. Work during all work times.
3. Keep hands, feet, and objects to self.
4. Arrive to assigned area on time with all materials, including binder.
5. Keep spoken and written comments classroom appropriate.

Consequences

1. Warning
2. Teacher/Student Conference
3. Isolated Lunch
4. Parent Contact/ Teacher Detention
5. Office Referral

We know you will prove your greatness by meeting all classroom expectations. Your teachers will be here every step of the way cheering you on!

Please read the back page titled "7th Grade Supply List." All supplies will be due on Tuesday, September 3rd.

We are looking forward to the 2009-2010 school year! Remember your teachers are here to help and support YOU! If your parents have any questions, please have them contact the school at 713-740-0480. If your parents would like to contact teacher through e-mail, please ask them to go to the following link: <http://www.pasadenaisd.org/sanjacinto/faculty4.html>.

This is going to be a great year!

Showing Tiger Pride,
The 7th Grade Team and Ms. Pierce
